Fantastic 3 bedroom 2 bathroom home located in the city of Hemet. This 1991 built 1699 sq foot home sits on an easy to maintain, spacious 7841 square foot lot with attached over-sized two car garage. A gated front porch with stamped concrete provides an open sitting area for guests. Walking into the home you are welcomed with a formal sitting room, with an antique stained glass accent window and real wood floors. The kitchen and dining area are perfect for entertaining, and a breakfast bar allowing extra seating! Ceiling fans, overhead lighting, and Dual pane windows provide plenty of natural light throughout. The kitchen has a walk in pantry, a built in microwave, plenty of counter tops and cabinet space for storage. The dining room also has wood floors and a fireplace with sliding door access to the backyard. A cross the hall you have a multipurpose room perfect for an office. The master bedroom is huge, has two ceiling fans, carpet, a large closet, and dual pane windows. The
